

## CABIN LEADER, Full-Time Seasonal

*Love the great outdoors? Wanna be a positive impact on the next generation?*

To Apply: Go to <https://form.jotform.com/52476459658169>

**Availability:** January 2022 May 2022

**Benefits: On-campus housing & meals provided.** First Aid/CPR certification provided. Monthly staff outings. Access to campus amenities: weight room, pool, high ropes course, large indoor gym, game room, Wi-Fi (add'l expense), & plenty of back-country hiking trails in the SoCal mountains.

**Salary:** \$355.00 to \$375.00/week

### **Duties:**

- Guide your Cabin Group through 4 days and 3 nights of fun-filled camp activities, science courses, & hikes through the San Bernardino National Forest
- Create your own lesson plans that share meaningful life lessons with the next generation through our CODES' Character Talk curriculum
- Mentor youth (5-8th graders) with a compassionate and encouraging attitude. Show them there's more to life than what meets the eye!
- Instruct & lead students in archery, rockwall, zipline, & canoeing
- Promote fun & discipline to ensure a world-class experience for all of our young guests
- Help camp stay in tip-top shape & gain useful experience by serving in other camp departments too: Hospitality (prepping cabins & grounds for the next group), Kitchen Team (food prep, serving, dish-room), & Maintenance (building projects, landscaping, painting)

### **Qualified Applicants will have:**

- A high school diploma
- A valid driver's license (required if your duties require vehicle operation)
- A personal commitment to Jesus Christ as your Lord & Savior, and a desire to work in ministry dedicated to drawing others to faith in God
- Biblically strong moral character, integrity & adaptability--do you walk the walk or just talk the talk?
- Previous experience working with kids
- Strong leadership, communication, & time management skills
- A habit of taking the initiative & being self-motivated; always ready for more!
- The physical fitness to hike wilderness trails averaging 2-4 miles/day
