KEY

- ¹Orientation** Teachers meet with camp admin. in the Dining Hall, while students and Chaperones meet at the amphitheater.
- ²Lunch** If school-provided, meet at the amphitheater.
If camp-provided, meet at the Dining Hall.
- ³Evaluation** Meet in Dining Hall to complete program evaluations.

NOTES

- The group is responsible for designating an individual to act as the Group Nurse to track medication and provide First Aid.
- **Students phones** and other items that are prohibited at school are not allowed at camp.
- The following breaches of discipline by **students or adults** are grounds for immediate dismissal: fighting or stealing, any activity that is inherently dangerous to self or others, outright defiance or intentionally destroying property, pranks or excessive bullying, other behaviors at the discretion of camp admin (e.g. suicidal ideations).
- If a student becomes ill or injured to the point of not being able to participate in the program, the school is responsible for coordinating and providing for their supervision and immediate dismissal from the program.
- The Truddy Rule will be enforced at all times, students must be in groups of three (3) individuals or more wherever they go.
- The group may not enter cabins or other buildings unless given express permission to do so from camp admin.
