

Participant's Name: _____

School: _____

MEDICATION FORM:

Complete this form **ONLY** if your child(ren) will bring medications to camp.

In order to serve all children efficiently & to the best of our ability, please **DO NOT SEND:**

1. Daily multivitamins
2. Essential oils (Dr.'s note is required)
3. Over-the-counter generic pain reliever (this is already available onsite)
4. Pediasure or similar dietary supplements (unless this is needed for dietary reported restrictions)
5. Allergy medication for campers who rarely have seasonal allergies (this excludes those who need it daily or for severe allergies)
6. Medication for motion sickness (especially if your child does NOT have a known history of this)

Sending superfluous/unnecessary medications slows down our patient care process. So please keep in mind that you will see your child Tuesday before departure and on Friday upon return; if your child can go two days without the above items, **DO NOT SEND** them.

STEP 1: Place the MEDICATION in a clear Ziploc bag.

STEP 2: Give the bag to your child's teacher or school Health Professional.

Camper Information	Doctor's Information
Name:	Name:
School Name:	Phone:
Date of Camp:	Doctor's Stamp or Address:
Parent/Guardian Name:	
Relationship to Camper:	
Phone Number:	

According to Education Code §49423 a signed order from your child's doctor and the parent/guardian is **REQUIRED** if:

- a) The prescription on the bottle/box/tube is in a language other than English.
- b) The prescription on the bottle/box/tube does not match the dosage that parents would like administered.
- c) The medication will not be used for its prescribed purpose. **Please DO NOT send this type of medication.**
- d) The medication is not intended for use based on the age of your child. **Please DO NOT send this type of medication.**

No doctor's note is needed if the medication is over-the-counter AND intended for children, however, please DO NOT send "as needed over-the-counter medication". Camp has pain relievers, allergy medication, and cold medication in stock. Furthermore, unlabeled medication **CANNOT** be administered and loose medication (without packaging) **WILL NOT** be administered.

Education Code §49480 gives the school nurse, with parent consent, permission to communicate with your child’s physician and counsel with Mile High Pines personnel regarding possible effects of medication.

Please sign below, to give permission to Mile High Pine’s Medical Monitor, Director, responding staff, and/or your child’s teacher to assist in carrying out the medical instructions indicated on this form or providing medical care. Your signature also indicates your consent, as required, in the above Education Code Sections §49423 and §49480.

Parent/Guardian Signature: _____ **Date:** _____

MEDICATION INFORMATION									
(We request that only ESSENTIAL medicine be sent to camp)

<i>Example: Amoxicillin 500mg</i>	<i>1 pill 3x/day (oral)</i>	X		X	X		<i>Antibiotic, after dental surgery. He may complain of pain, please give OTC pain reliever as needed.</i>		X

My child has my permission to take the listed medications to camp and for certified camp staff or my child’s teachers to assist and/or allow my child to take/apply these medications in addition to those below in the case of illness:

- a) Pain relievers for minor illness complaints.
- b) Calamine lotion, or equivalent, for plant-related rash reactions.
- c) Allergy medications, basic first aid, and other care based on the certification level of camp staff may also be administered.

Camp staff will give care in accordance to their training and may not call parents before treating for minor ailments. Such instances include but are not limited to: headaches, cold symptoms, menstrual cramps, minor cuts, minor bruising, homesickness, use of “as needed” medications, etc. Those campers that are bringing prescribed medication to camp must abide by Education Codes §49423 and §49480. Medication must be submitted to school personnel prior to arrival.
